MWGA Annual Meeting & 2-Woman Scramble

Vote on Proposed Changes to the Constitution and Bylaws

Join us on May 7th at Greystone GC in Washington. Vote on changes to the [MWGA Constitution and Bylaws](#). Celebrate the 2015 POY, GOY and MIP winners. The lunch and meeting are followed by a 2-Woman scramble, so find a partner, invite a guest, and if there is another team you'd like to be paired with, just let us know. If you don't have a partner, sign-up anyway, because there are always other singles looking to be paired.
