Inez Bridges – “With the continued dedication and efforts of our current board members, I believe I can add to our current (and expanded) MWGA goals with the knowledge I’ve acquired as a prior MWGA board member and as a GAM governor. I believe our goals should be to:

- Continue to Increase MWGA Membership;
- Engage Member Participation with expanded programs and constant contact;
- Create a Better Golfing Experience for Members by listening to their needs.

I appreciate the opportunity and look forward, if selected, to working again with the MWGA as a board member. Thanks for considering me. “

Liz Cantu – “I have served on multiple boards in the past. I have broad and varied experience in golf-related activities, including teaching junior golf. Recent retirement leaves me with time to devote to board activities.”

Deb Horning, incumbent - has been a member of the MWGA since the 1990’s and on the Board of Directors since 2000. She currently serves as Secretary of the Board as well as on many of the MWGA committees including Competitions, Finance, Handicap, and Rules. She loves working on the Competitions and Events Office (CEO) which runs all of the MWGA competitions. The past couple of years on the CEO she has been responsible for the financial statement of each competition. She has also helped with Cynthia’s vision of computerized scoring at the events. “There is still room for improvement at the competitions and I would like to continue to be a part of that.”

Monica Olivia, incumbent - has been a member of MWGA since 2002. Elected to the board in 2007, has been the Treasurer for the past 10 years and would like to continue in that role for another term. “It is a pleasure to be able to be a part of the board to make sure we are well positioned to meet future challenges and capitalize on its growth. I take my role very seriously and sincerely wish to continue to serve MWGA as a board member.”

Francine Pegues, incumbent – “I am running for reelection to the MWGA Board of Directors because I feel this is the only organization that promotes golf for **all** women and girls. During my tenure we held the successful Legacy Celebration honoring three giants in women’s golf (Betty Richart, Shirley Spork and Mary Fossum) and raised \$27,000 for women’s collegiate golf and our own Girls Golf Program. Additionally, I was instrumental in following through on the creation of the MWGA Hall of Fame. 2018 promises to bring more exciting golf opportunities to you our members and to our junior golfers.”

Nancy Serra, incumbent – Has been on the MWGA Board for 25 years and is currently serving as vice president. “Golf is a great sport! But more important is the people with whom you enjoy the sport, especially when it is on a regular basis. For this reason I devote myself to making involvement with the golfers and the game as pleasant and desirable as possible. I constantly try to listen and work to resolve whatever one may need to be satisfied, as well as thrilled to be playing this great game of golf!”

Micki Valant – “I have some technical experience that I could bring to enhance both communication and events. I am already the editor of my local AAUW’s newsletter, which is web-based.

I have enjoyed the camaraderie of MWGA’s events, and am ready, willing, and able to explore more possibilities.

My husband teases me that I always find a way to assume leadership roles in the organizations to which I belong. I guess I would label myself a “quiet” leader — one that listens and then takes responsibility as needed. I believe that could be a good fit for MWGA.”

Sara Wold, incumbent – “I’m the luckiest member of the MWGA to be associated for the last 27 years with the fabulous and talented group of women who love to play golf and who make up our membership. When I remember where we started and what we have become today with high tech innovations and communications, it is astounding. Yet the most important thing remains the same – to provide good golf programs and competitions in which the membership will be proud and happy to participate. My goal for all of us is to take our games to a higher level and as an organization continue to be a force in women’s golf.”

You can vote from Monday, October 9 through Tuesday, October 17
