Like most of you, your president is glad this winter is over and it is time to start playing golf! Renewed friendships plus the camaraderie this game of golf brings is my barometer that spring has arrived. I can just imagine all of my fellow golfers scurrying around taking inventory of their golfing gear; marking balls, polishing clubs, cleaning shoes, inspecting rain gear… Wait a moment! Rain gear? Let’s not think about that issue. Yes, it is that time of the year.

Talking about getting ready for the season, I just wish to share a few additional tips to assist you on the course. No, I’m not going to play golf pro…everyone knows my proficiency with the game does not warrant me delivering any advice. Just some tips to help your stamina for the 4 ½ hours you are beating that little ball. Most important, stay hydrated. According to Robert Yang, fitness instructor and food expert (robertyang.net), daily drink water equivalent to half of your body weight in ounces with 25% first thing in the morning. So, a 160 lb female with a mid-morning tee time should drink 20 oz. first thing, 40 oz. on the course and the additional 20 oz. later in the day to complete the hydration process. Also, while on the course, you might want to add a pinch of unrefined salt to your 40 oz. to replace minerals and salt in your body. Soft drinks or sport drinks? Bad idea; too much sugar or sweeteners. Try eating fresh fruit to keep your blood sugar as stable as possible. Also, be careful with energy bars. Along with your AM water, fat and protein (bacon and eggs) are good as they stay with you and you won’t starve during or after your round. Plus, protein will help you concentrate! I know I need any resource available to improve my concentration.

Okay, so now that Dr. Barb has you thinking about your continuing stamina, I wish to add a word about our sponsors. The MWGA is so fortunate to have businesses, individuals, etc. who contribute to our organization and play a large part in our success. If you are not aware of our sponsors, the next time you visit our website, click on “links” and a number of our sponsors are highlighted. I would encourage you to familiarize yourself with our sponsors as, at some point, you may be in need of their services. Do you have questions concerning financial planning? Give Dan & Corey Staub a call and make sure you tell them you are a MWGA member. How about problems with your golf game? Try Bob Krause Golf. I know all of you eat. Try Capers. Now, I’m not soliciting business nor endorsing any particular sponsor. Just wish to plant a seed to consider a MWGA sponsor.

Finally, I’d like to give you some information on another excellent women’s golf organization, the WWGA and WWGF (Women’s Western Golf Association and Women’s Western Golf Foundation) of which your MWGA is a member club. The organization was founded in 1901 and holds two national championships annually: the Amateur and Junior tournaments; Low Net Pin Event at the Member Club Level; and the Foundation with College Scholarship Program. – The MWGA awards the Low Net Pin at our State Competition. Currently, the WWGF is ………continued on page 2
On Saturday, June 8th we are holding the President’s Stroke Play Tournament at the prestigious Oak Pointe Country Club, where we will be playing the Championship Course! The course is located in Brighton. I am hoping that this special venue and a 1:00 pm Shotgun will attract more participants than in the past. Maybe I should throw in a SURPRISE to attract more entries. I think I’ll do that. Sign up and Show up to find out what this will be!

Later that same month on Saturday, June 22nd you will need to round up some partners and return to the familiar territory of Brighton where you will find the course, Huron Meadows and a round of Best 2 of 4 event. The summer should finally be kicked into gear and so it’s back to an early 8:00 am Shotgun start. This is one of the fun formats we have to look forward to and one that doesn’t matter if every hole isn’t one from your A game, so long as your partners carry the ball! And I have every confidence that they will.

Edgewood Country Club, I’ve heard, is one of our favorites. Pick your best partner (for the day, which is Monday, July 8th) and join us for a 2 Woman Scramble and a 9 am Shogun! The course is always groomed to perfection as well as beautiful. And the food is marvelous, Darling! And, since everyone seemed to enjoy it the last time, we will have the $10 buffet available again after golf, so arrange to stick around.

As I’m writing I’m getting excited and I hope you are too! Make a plan to invite some of your non-MWGA golfing friends. We need to grow our membership and you are our best avenue to do this. Please help us GROW the MWGA!

Golf season in Michigan finally arrived April 1st. This is the rumor I have heard, but I still have not seen any great golf weather here in the Michigan Mitten. I know most of you would like to be playing at this time, so let’s all do the warm weather dance!! If April showers really bring May flowers, Michigan will be beautiful in May. If you did get away to warmer climates and played golf, I hope you remembered to post your scores. All rounds of golf, played according to the Rules of Golf, during the active season of the region you played in, should be posted.

To post scores, go to the GAM website at http://www.gam.org, log in using your GAM username and password, and then select, from the green menu bar, the **View Handicap/Post Score** link. If you cannot remember or do not know your GAM username and/or password, please email me at handicap@mwgolf.org. Scores should be posted before the end of each revision period, which is the 14th and last day of each month. Thus, your index will be updated on the 1st and 15th of each month. If you cannot post online, please email your scores to handicap@mwgolf.org and include the date you played with the course name, the tees and holes you played, your actual and adjusted scores, who played with you and indicate if the score is a tournament score. Scores shot at courses without a valid slope and course rating are not to be posted. If you have any questions, please let me know! To understand how to adjust and post scores, please read and follow the information in the handicap booklet that came in your membership package. You can also find this information by visiting the MWGA website at www.mwgolf.org, then select the **Posting Scores** link, and click **MWGA Handicaps and Indexes**. A link to the USGA Handicap System manual and details of Internet Posting can also be found there.

Please contact me with any questions or problems you are having posting scores or with your index. I can be reached at 313-815-9706 or by email at handicap@mwgolf.org.

I thank you in advance for your cooperation.

**Rules Clinic — 70 Golfers Learn How the Rules Can Help Them on the Course**

As always Jeanne Meyers made the rules of golf seems interesting, understandable and even helpful! She’s amazing. About 70 women from the MWGA and the EWGA struggled through traffic jams at the West Bloomfield Municipal complex (it was their hazardous waste drop off day) for the chance to learn from one of the best and improve their knowledge of the game.

Adrianne Danzeisen Clor, former MWGA Board Member and owner of The Outpost in Osseo, was named by Golf Digest among the 100 Best Club Fitters in the country. Quite an honor for a small shop. Miles of Golf and Carl’s were also among the 100 Best.

Mary Jane Anderson Heistand, Michigan Golf Hall of Fame Member, won the 2013 Florida Senior Women’s Championship.

Bill Zylstra, MWGA member Judy Hamilton’s brother and Michigan Golf Hall of Fame Member, was the 2012 Golfweek Senior player of the Year.

Claud Johnston, one of our male members, was the 2012 Grand Master (75 and over) Player of the Year. He won 5 of 7 tournaments that counted towards the honor. He has won the first two tournaments this year.

Cynthia Pinkard and Inez Bridges have been named GAM Honorary Governors in recognition of their long and distinguished service as a GAM Governor.

Sara Wold became Assistant Secretary of the GAM at the GAM Annual Meeting May 6th at Birmingham CC.

**Pace of Play Tips to Help you Enjoy Your Round!**

- Each member of a group should proceed directly to his or her ball. **The group should not travel as a pack,** going to first to one ball, then the next, and so on.
- While heading to your ball, use the travel time to begin thinking over your next shot - the yardage, which club you’ll use, etc. Prepare before you get to your ball.
- If sharing a cart, don’t drive to the first ball, wait for the first player to hit, then head to the second ball. Drop the first player off at his ball, drive on ahead to the second ball. The first player should walk over to the cart as the second player is playing his shot.
- Leave your bags/golf carts to the side of the green, & in the direction of the next tee, never in front of the green.
- Never stand on or next to the green after holing out in order to write down your score. Write it down when you reach the next tee.

A chap was teeing off and hit a lousy ball onto the next fairway and en route struck another golfer on the head.

He shouted at the lousy hitter,

"I am a lawyer and this will cost you, maybe 5000.00."

The golfer yelled back, "I am sorry bit I did shout FORE"

The lawyer replied, "OK I will take it!!!"
From 2007 through 2012 the MWGA Match Play League ran extremely smoothly under the coordination of Pat Witek. Members always had the information needed at their fingertips on a timely basis throughout the season. If there were any questions, Pat was readily available and quick to respond.

For a few years, she spent summers in Michigan and winters in Arizona. Now, in 2013 Pat has decided to make Arizona her permanent home and will be moving there this summer so she stepped down as MPL Coordinator, passing the reins to Gail O’Brien.

League members wanted to give her a gift or honor her in some way for all she did. Pat was insistent that she didn’t want a gift. Because she’s a big supporter of the MWGA Girls Golf Program, regularly volunteered to help and donated equipment for the girls, it was suggested a scholarship be established in her name, thus the Pat Witek Scholarship Fund was created to honor the years of service Pat devoted to MWGA. While funds are available, to help defray expenses, a scholarship will be awarded each year to one of the girls in the program who attends the LPGA Girls Golf Team Championship and Academy at Kiawah Island, SC. To date $675 had been pledged.

In her modest way, Pat shared with league members, that she was “truly honored and humbled to have my name associated with such an important program...there are so many other women associated with the MWGA that are just as, in fact, are more deserving than me.” We agree there are many wonderful women who help keep the MWGA running smoothly, and Pat Witek is right at the top of the list with them all.

Keep in mind you don’t have to be a member of the Match Play League to make a contribution to this scholarship fund. If you wish, make your check payable to Michigan Women’s Golf Association, indicate it’s for the Pat Witek Scholarship Fund and mail or give it to Monica Oliver, Treasurer, 34800 W 8 Mile Rd., Apt. 101, Farmington Hills, MI 48335-5129.
Another great start to an MWGA golfing season. All we did was wait for the perfect day of weather, then have 68 members and guests tee it up for our 2013 opening competition. As always, Jim Grant continues to be a special partner with the MWGA and its members. Thanks Jim and staff for all you do, even though for the second year in a row, we did not let the bathroom problem dampen our spirits. We did enjoy the chips, salsa and pictures of beer you contributed.

Monica did a good job of pairing up singles to teams that entered with less than four. We had double digit singles enter again this year. It seems the word is getting out that you don’t need a team to come play with the MWGA!

Pace of play was very good with 75% of the teams coming in at 4 hours 20 minutes. Two teams did finish in less than 4 hours and set a wonderful pace. We announced the silent auction winners while the golf results were being tabulated in an effort to shorten a somewhat long day. Thanks to your support, the mulligans, auctions and cash donations raised over $1000 for the MWGA Girls Golf Program.

Congratulations to all the winners!

Rules Rock - By Sara Wold, Rules Director

Rules Controversy at the Masters and Pay Attention to Local Rules

The Masters does not have rules officials walking with every group like the USGA, PGA and R&A do and it led to problems that could have been avoided. Tianlang Guan, a 14 year old amateur, was penalized one stroke for slow play. Players get 40 seconds to hit a shot after it is their turn to play. He had 4 bad times and was warned on the 13th hole, and when he had another bad time on the 17th hole, he was penalized. An official with the group would have talked to him about it and encouraged him to play faster; so he wouldn't get penalized. I wonder why his caddie did not help him stay on pace.

I'm sure you all witnessed Tiger's ball on the 15th hole hitting the flagstick and bouncing into the water. He could have gone to the drop area but chose to drop from where he hit it. A TV viewer called in and questioned the drop. Officials reviewed it before Tiger finished his round and ruled the drop was legal and Tiger signed his card. Afterwards, in a TV interview, Tiger revealed that in planning his shot, he dropped it a few feet behind the original spot. Again a viewer called in, and the rules officials met and ruled that he would get a 2 stroke penalty for dropping in a wrong place. It was not a serious breach to warrant a disqualification and Decision 33-7/4.5 Waiving, modifying or imposing penalty of disqualification to deal with viewers calling in after the player has signed his card without knowing he had incurred a penalty and, thus, avoiding disqualification was adopted in 2011. I believe it was the right decision. If an official had been with the group, the problem would not have occurred.

The competitive season is starting and every player should read the local rules sheet before play starts. It contains valuable information that will help you know what to do in many situations. Look for information on the course boundaries, drop areas, ground under repair, decorative gardens, etc. Are fences and damage around cart paths part of the cart paths? Are gardens ground under repair or must you play the ball as it lies. If you are in ground under repair or lost your ball in it, you get free relief, otherwise, you must play it as it lies, or if it is lost, take a penalty and go back to where you previously hit it.

In a recent tournament in Florida, a player hit her drive 200 yards into a lateral water hazard. She could go back to the tee or drop it 2 club lengths from where it crossed the margin no closer to the hole. However, there was a long bunker adjacent to the water hazard. Where should she drop? Decision 26-1/2 tells us she can drop it in the bunker if she doesn't want to go back to the tee.
