There's always a bargain to be found, tons of golf courses represented and, most importantly, MWGA Booth 907, close to one of the entrances. Your golf organization gets a booth at the golf show in order to share with women golfers the wonderful benefits and offerings available to members and guests of MWGA.

The Novi show is open Friday, March 2, from 2 to 8pm; Saturday, March 3, from 9am to 8pm and Sunday, March 4, from 10am to 5pm. There will be over 400 exhibitors, 100 Michigan golf courses represented and a variety of hands-on activities to get you ready for the golfing season -- Garland has a $25,000 hole-in-one challenge, there are 100 feet of hitting nets, long drive contests and hourly door prize drawings.

We try to have two women or more at the MWGA booth at all times. You can help get our message out by taking a 2-hour shift or two. We will have an informational video running on a computer, posters highlighting the benefits of membership as well as some of our events plus NEWSLINX and literature to give to interested golfers. It’s not hard work --- all you have to do is hand out information, perhaps answer a few questions or direct those interested to our website. By helping, you could use a badge for free entry, and before or after your shift have plenty of time to check out all the other vendors and their wares.

An MWGA goal is to get new members, either at the show or online at our website www.mwgolf.org. It’s important to build our membership. If we can increase participation at our events, we could hold or lower entry

Saturday, April 14, Michigan Hall of Fame, Troy

8:30 am – Registration for Guidelines Briefing & Rules Clinic
9:00–10:00 am – Guidelines Briefing
9:30 am – Registration for Rules Clinic (if you are only attending the Rules Clinic)
10:00 am–12 pm – Rules Clinic  Cost: $10  Light Refreshments

The Guidelines Briefing will be presented by the Membership Committee at 9:00 am. They will review established guidelines to increase your level of comfort and confidence when participating in MWGA tournaments, promoting the MWGA belief that an “informed player is a happy player.” There will be time for Q & A and handouts will be provided.

We are pleased that our Rules Clinic will again be presented by Jeanne Myers, GAM Assistant Director of Rules & Competition and past GAM President. Jeanne has officiated at more than 100 USGA amateur and professional tournaments, was rules official for the MI PGA for 13 years and has conducted over 300 rules seminars. One of her most notable accomplishments was authoring the Equitable Stroke Control Procedure that went into effect in 1991 and is still in use today. In honor of her service to golf, Jeanne has received several accolades. She was given the Jean Dodds Lifetime Achievement Award from the Women’s District Golf Association in 2005. She was selected captain of the USA women’s team for the 2006 Women’s World Amateur Team Championship in South Africa. On May 21, 2006, Jeanne was inducted into the Michigan Golf Hall of Fame.

After you Board’s first meeting for 2012, I can predict a very challenging season for your MWGA, although not in a bad sense. Did I mention the meeting was extensive and lengthy? Given the scope of the agenda, I’m surprised we’re not still in session…like some jury being sequestered until a verdict is reached!

After all the holiday fanfare, it’s time to pull up our sleeves and get back to work for the benefit of your MWGA. In this article, I will briefly outline our vision and mission for 2012.

**Our main goal is to increase membership as well as increase event participation within our existing membership.** Simply stated, without a supportive membership, the MWGA, as it stands today, will not exist. As an organization, throughout our twenty-five year history, we have expanded our programs and events for women’s golf in Michigan. And, I must add, for the enrichment of the game on many levels. Plus, we constantly elevate our technology to meet the demands of today’s savvy consumer. With additional commitments come additional expenses.

Over the years, the MWGA was able to build up a cash reserve largely in part of (1) more members (2) more rounds played (3) little overhead as most Board members sacrificed a lot of their personal money (4) limited events and (5) limited technology. Today the MWGA has (1) fewer members, due mostly to an increase in options for the female golfer (2) less rounds played (3) an increase in overhead (4) more events and programs and (5) an abundance of technology. Consequently, those reserves are slowly dwindling. Of course, the picture is not all that bleak; however, your Board is being extremely cautious in order to preserve this organization for the future. So, to maintain our current status and/or to move forward, your Board is suggesting the following:

1. **Encourage all MWGA members to actively take part in our events.** If all 225 plus members played in one additional event this year, the revenue generated would just about cover the deficit in our Girls Golf Program. All of us have golfing pals. Why not convince them to join? I realize the MWGA is not for everyone; however, if you have an acquaintance playing golf at the same caliber as yourself, she would be a good candidate! Remember, the MWGA holds a “Guidelines Briefing,” in conjunction with the Rules Seminar, to educate all members on MWGA amateur tournament golf procedures. It’s a great venue for a potential member to learn what the MWGA is all about as well as current members in need of some CEU training!

2. **Support our fundraisers for our Girls Golf Program.** On March 17, the MWGA is having a St. Patrick’s Day Potluck Party at the Michigan Golf Show and at the Girls Golf Hall of Fame. The HOF has donated the space and our expenses will be minimal. We expect at least seventy percent of the proceeds to go directly to the program. So, a decent attendance (similar to our Cha-Cha-Cha event), would be a plus! See details in this issue. The Girls Golf Program is subsidized by a grant from the LPGA.

3. **Volunteer!** Simply stated, we need your assistance! At events, at the Golf Show and at the Girls Golf Program. All of us are busy; however, giving back is a great feeling. Contact any Board member for further information on how you can help!

I think you get the picture and I’ve said enough for now. I look forward to a wonderful 2012 season of MWGA golf and can’t wait for the warm days to arrive. Now it’s back to the drawing board to compile the February Board Meeting Agenda. Some things never change. Don’t forget to stop by our booth at the Michigan Golf Show in Novi at the Suburban Collection Showplace, March 2-4. Better yet, man the booth for a couple of hours!

Rules Rock  By Sara Wold, Rules Director

When it is too snowy or cold to play golf in your spare time, I recommend that you read and study the Definitions and Rules of Golf. There are so many little details that will help you determine how to handle the rules situations you encounter on the golf course. For most situations, the Rules Book is adequate to determine the action you should take. The Decisions Book is very helpful for clarifications and “sticky situations”. It also helps to memorize the Rules numbers; so you can quickly find them in the Rules Book.

I am studying for the USGA/PGA Rules Exam not only to refresh my memory but to get a score of 75 or better to enable me to officiate at US Championships. For me and most, it is not an easy task and requires diligent studying. Today I studied Rule 27. Ball Lost or Out of Bounds; Provisional Ball. Below are a few examples and a test to demonstrate how handy the Rules Book can be.

1) A player plays from the teeing ground, searches briefly for his ball and then goes back and tees another ball. Before he plays the teed ball, and within the five-minute search period, the original ball is found. May the player abandon the teed ball and play the original ball?

2) In stroke play, a competitor hits his tee shot into a practice area. Thinking that the ball is out of bounds, he lifts it and plays another ball from the tee. He then discovers that the practice area is not out of bounds. What is the ruling?

3) In stroke play, a competitor, believing his tee shot might be lost, plays a provisional ball. He finds a ball he believes is his original ball, plays a stroke at it, picks up his provisional ball and then discovers that the ball he played was not his original ball, but rather a wrong ball. He resumes search for his original ball but cannot find it. What is the ruling?

The answers are on page 9.

2012 Guidelines Briefing & Rules Clinic  Continued from page 1

We are very fortunate to have Jeanne share her experiences with us.

2012 is a Rules change year and the significant changes for this year will be covered in this seminar. The Rules Clinic will focus on the Exceptions to the Rules that make the Rules so difficult and complicated. We not only have to learn the Rule, but all the exceptions that go with it. Jeanne's Rules presentation is not only informative, but fun and knowing the Rules of Golf can help you improve your score and your understanding of the game. Please share your questions with Jeanne as we can all benefit from this open dialog.

Have fun and meet new golfers while you learn the Rules! This event is open to all MWGA members, including sponsored males and guests. We encourage everyone to attend. Plus, as an added bonus, if you haven’t yet visited the Michigan Golf Hall of Fame, this will give you an opportunity to do so. The Hall of Fame is located in the Troy Office Center, Suite 160, Building B, 320 East Big Beaver, east of Livernois. The site hosts portraits, plaques and other memorabilia of the greatest golfers in state. www.michigan-golf-foundation.com.

All this is available to you for only $10! Plus, remember, members will receive 2 Player of the Year points for attendance at the Guidelines Briefing and an additional 2 POY points for the Rules Clinic. You may register and pay online at www.mwgolf.org or mail your payment to the MWGA Event Office, 1127 Palmer St, Plymouth MI 48170-2054. If you have questions, contact Lu Stockton, MWGA 13561 Dunham Road Hartland, MI 48353 248-887-9170 www.dunhamhills.com

Proceeds from this event will be used to support our Girls Golf Program. Over the past two (2) years MWGA has underwritten the cost to teach 89 girls (and a few boys) the game of golf. Our expenses include an LPGA teaching pro, range balls, course fees, golf clubs and healthy snacks. In 2010 we gave each student a set of golf clubs donated by our members. In 2011 we bought 24 new sets of youth clubs which we lend to our students. In 2011 we ran a beginners program for 32 girls (ages 7-14) and started a junior league for 17 girls and boys (ages 10 – 15).

The cost to MWGA for those two (2) years was about $12,100. We received a grant from the LPGA for $2,750, student registration fees, cash donations, mulligan donations and Dearborn Hills Outing entry fees totaled $7,200, leaving a deficit of $4,900 for the past two (2) years.

To keep the program alive, we need your support! So come on out and have a good time in a user-friendly environment. Proceeds from this event will be used to support our Girls Golf Program. Greetings fellow MWGA members! I hope everyone has enjoyed our mild winter. Spring is almost here and we’ll gather once again for our MWGA Annual Meeting. Mark your calendars for Saturday, May 5th, to meet at Salem Hills in Northville - the site of the MWGA Annual Meeting & Scramble kicking off the 2012 golf season.

Come early to meet and greet old friends and nemeses alike. We’ll enjoy the traditional “kick-off” luncheon meeting held to update everyone on the state of the MWGA organization (where we were, where we are and where we’re going). Not to be missed — we’ll announce Player of the Year, Golfer of the Year and Most Improved Golfer awards. (My name will not come up!)

A bit different this year - we will not host vendors. Simply put, last year the shopping was not brisk. Most of us have come to an age where if you can’t eat it, wear it or spend it, what good is it?

Over the years the MWGA has taken on numerous tasks and has accomplished many of the goals it has set for itself. This year our biggest goal is to increase the number of our members that attend our events. That having been said, while putting together the schedule this year I tried to be conscious of location, playability, and desirability of the courses I chose. I know we cannot please everyone all the time, but I hope you will like the schedule enough to put a good number of the events on your calendar so as to “save the date”! We urge you to invite the other members, that maybe you don't see too often, to join you. But don’t forget to invite your friends that are not yet members also.

Keeping our primary goal in mind, we have embarked on another endeavor. Let me be clear, we've made a change to standardize our pricing and prize awards so that it will be easier for you to plan and more equitable regarding prize payouts. For instance, you won't be penalized if you win first place in an event with a low turnout. In the past, the pot to divide would be smaller event with a low turnout. In the past, the pot to divide would be smaller when compared to last year. Keeping this in mind, any comparison to last year really isn’t comparing apples to apples. One more thing, this change will make it much easier for several tournaments. We obviously lowered them too much, because we lost money last year. Remember the Annual Meeting & Scramble? It was $49. In 2010 it was $72, even with the great deal Geri Lowman gave us. In 2009 it was $91. We also gave good deals on a couple of other tournaments last year. Making this change will make it much easier for several of the steps it takes to bring you events of the quality and organization we offer. We operate with the knowledge that our first commitment is to you, the player and MWGA Member!

At the Annual Meeting, the Board will gladly answer any questions you have regarding this, or any other, issue. I hope to see all of you there this Spring on May 5th, when we can finally enjoy the outdoors on the Salem Hills fairways, breathe in some fresh air, swing away at that little white globe and, last but not least, enjoy our golfing buddies once again!

**Members & Friends**

We were saddened to learn of the recent passing of a friend of MWGA, Kathy Hees just after the holidays. She was a member as Michaywe and would join in MWGA there as well as GAM events including the Women’s Senior Championship.

**Answers to Rules Rock**

From page 3

1. Yes. The teed ball was not in play since the player had not yet made a stroke at it – see Definition of “Ball in Play” – and the original ball was not lost – see Definition of “Lost Ball”. Decision 27-1/1.

2. When a player lifted his ball in play, he incurred a penalty of one stroke under Rule 18-2a and was required to replace it. However, when the player made a stroke from where the previous stroke was made (Rule 20-5), he played a ball under penalty of stroke and distance (see Rule 27-1a). This procedure overrides Rule 18-2a and, therefore, the penalty under Rule 18-2a does not apply. He is laying 3. Decision 18-2a/11.

3. The competitor lifted a ball which was to become the ball in play, i.e., the provisional ball – see Rule 27-2b. Accordingly, the competitor incurred a stroke-and-distance penalty under Rule 27-1 as a result of losing his original ball, a two-stroke penalty under Rule 15-3b for playing a wrong ball and a one-stroke penalty under Rule 18-2a for picking up his provisional ball. He is required to replace and play out the provisional ball. The competitor would be playing his seventh stroke. Decision 27-2b/9.

Welcome to the New Year! And, I am wondering if this will be the year that the golf industry finally realizes the true value and importance of proper golf marketing to women rather than considering us an afterthought. For years the stats have not changed: about 47% of new golfers are women. Why then, do women not represent over half of the golfing population? Because out of that 47%, only 25% stay with the game, which makes for stagnant numbers.

Looking on the bright side, a conversation with Golf Digest VP and Publisher Tom Bair yielded the surprise that the magazine was going to offer some groundbreaking new information and sections of interest to women. If you read the magazine, currently there is little: maybe a page or two from Editor Stina Sernberg, a profile of an LPGA pro or top amateur, and perhaps a stray feature on a woman. Not much there, but I’ll give them the year to see what happens and hope you do too.

At the PGA Show this year, there was a much-touted panel discussion on the Forum stage. Here is the preview from the media release: “Women, a key driver of the consumer marketplace, are a focus this week as golf industry attendees meet at the 59th PGA Merchandise Show in Orlando, Fla. A panel discussion featuring golf and business professionals will discuss what steps are necessary to implement an integrated marketing strategy to grow participation among women, and as well as increase the number of women golf professionals.”

The panelists included Lisa Gersh, COO, Martha Stewart Living Omnimedia, Jon Goin, PGA Head Professional at TPC Southwind in Tennessee, Nancy Henderson, PGA/LPGA Sr. VP and Executive Director of LPGA Teaching/Club Professionals and the LPGA Foundation, and Deb O’Connor, Kitchen Aid Director of Global Reputation and Community Relations.

Unfortunately, business at home prevented me from attending this presentation, but I did request transcripts from it, which I will discuss if I receive it. Meanwhile, let me share a story with you to illustrate how important it is to keep improving our presence and talent in the golf world:

Last May, at the gorgeous Mediterranean-style Grand Del Mar Resort in San Diego, CA, I attended a “Media Women’s Golf Weekend” where we were given specialized attention and training on the practice range and golf on the superb Fazio layout. We were divided into smaller groups for each stage of practice. My group was on the putting green by the 1st Tee and it was obvious the pro was working with us. We were studying lag putts and the pro asked my theory on them; my reply? “I try to make them”. Surprised, he asked for a demo on the 50+ foot curling putt, which yielded 3 putts within 2-4 feet. Right then, some men who were practice putting prior to tee-off walked up to my putts, took the brand new Titleists the pro had provided, stood in our way, and proceeded to putt at the hole….with us clearly standing there. Even the pro had to do a double-take! Our host, marketing pro Marguerite Clark, was appalled, and said, “Janina, just MAKE that putt….now! Show them who we are!” So, I took dead aim (thanks Harvey…) and the putt rolled right by the one guy’s back foot and into the cup. Startled, he looked at us, finally realized a lesson was going on, and moved….but took our golf balls with him! The other women told the pro to stop him, but he let it pass. After all, they were Grand Del Mar logo golf balls and the men, paying customers. Can you imagine the reaction if women behaved that way?

But at least those men on that day discovered that women belong on the course as much as they do. Of course, with that behavior, maybe they don’t belong out there!

Handicap News & Updates By Sue Madej, Handicap Director

Hello, my name is Suzanne Madej, and I am the new Handicap Director for the MWGA. Although I am new to this position, I have been the Handicap Chair for the last 7 years for the Women’s Metropolitan Golf Association and am USGA certified. Cynthia Pinkard has done an incredible job over the last several years, and she will continue to assist me as I transition into this job.

Just a few reminders for you to ponder:
1. GAM revision dates remain the 1st and 15th of each month, continuing throughout the entire year.
2. Season in Michigan this year begins April 1, 2012 and ends November 1, 2012. Scores shot in Michigan can only be posted if they are played between these dates.
3. Scores shot in states that continue to have an active golf season, i.e. Florida, California, Arizona, Nevada and Alabama to name just a few, are to be posted in a timely manner. These scores do matter to your index with MWGA.
4. Scores are to be posted at www.gam.org. You will need to use your GAM login and password. If you have any problems please contact me at handicap@mwgolf.org and I will be happy to help. For further information you can go to the MWGA website, www.mwgolf.org, selecting the Posting Scores section.

As the year goes on, I will be happy to assist you in any way I can. The most important thing to remember is that posting your golf scores as soon as possible is the best way to insure that our golf events are handicapped fairly for all.

Fund Development By Kathy Brennan Fund Development Director

I am asking our returning members and new members to please utilize the donation line on the membership form. We are only asking for $5 dollars from each of you to support the Girls Golf Program. They will be very appreciative of any and all donations.

I would also like to thank the following sponsors for their support last year and ask you to patronize their establishments whenever possible. They are as follows:

- Staub Financial
- Yarmak & Co., CPA
- Pro Golf – Southgate
- Dunham Hills Golf Club
- Salem Hills Golf Club
- Hunter’s Ridge Golf Club
- Giulio’s Restaurant

Please keep them in mind when looking for their type of services: Financial, Accounting, Golf Store, Golf Courses and Restaurant.

I hope to be able to write more thank-you articles in the future highlighting total dollars donated.

Come out to the St. Patrick’s Day fundraiser party; I hope to see a lot of you there! It’s a chance to mingle, get together with your summer partners, and donate to a good cause.

Golfer of the Year (continued from previous page)

Events: MWGA Stroke Play Events (State Tournament, President’s Tournament, all other Stroke Play Tournaments) 2-Woman/Person Four-Ball Events and Best 2 of 4 Events, Cha-Cha-Cha (Each player plays own ball and MUST record a score for each hole in the competition.)

NEWSLINX Changes Hands!

By Belinda Friis, Newsletter Director

After many years of fantastic service to MWGA as the publisher of the NEWLINX, Pat Shelton has moved on to take over the duties of Publicity Director. I’m the newest board member and am now publishing NEWSLINX. When you see Pat, give her a big thanks. Who knew how much time and patience was required to create this publication! This is my first edition and I’m still learning about the Board and the software. So, if you see problems, let me know. If you have suggestions, share those, and if you have a great golf story, we would love to hear from you in a guest column.
