Rules Clinic ~ Know Your Options
By Linda Neff

The Rules Clinic held April 4 at the Fox Hills Classic clubhouse was a great success. We had 27 ladies in attendance, representing seasoned members, new members and guests. Having such a variety of golfers can present a challenge to the instructor since she needs to meet the learning needs of everyone, but that was no problem for Jeanne Myers.

We were honored this year to have her present the rules. Jeanne is a GAM Past President and current GAM Assistant Director of Rules and Competition Rules. Among her many illustrious accomplishments, Jeanne has officiated approximately 50 USGA amateur and professional tournaments, was a rules official for the MI PGA for 13 years and has conducted over 100 rules seminars.

As the golfers sat gathered around the ‘situational fairway rug,’ Jeanne stressed the need to know your options while on the course since it may save needless strokes. Jeanne discussed and demonstrated the options available for a number of commonly misinterpreted situations as well as the new rules that went into effect in 2008, telling us why the rule change came about. Questions were raised and answered with Jeanne showing options available in response to the questions as well as telling us the rule number we should reference for more detail while encouraging us to read the rule book, especially the 51 Definitions in the beginning of the book.

At the end of the clinic, attendees continued to come to Jeanne with other situations for her insight as to ‘what was right.’ It was a great clinic; and I as MWGA Seminar/Clinic chair, want to thank not only Jeanne, but Fox Hills for providing the room and liquid refreshments. Most everyone needed their coffee, water or soda to jump-start the day. In addition, Fox Hills set up a private sale area for us right in our meeting room. That was sweet!

2008 Golfer and Players of the Year and Most Improved Golfer

President’s Corner  By Barbara Porter

As most of our members realize, a majority of MWGA Board members chair at least one tournament a season. I remember when our Board members agonized over running a tournament and with good reason — what an ordeal! The tournament chair was responsible for every aspect of the tournament, from creating the initial publicity to gaining entries to depositing the last penny in order to prepare a financial statement. I tell you, too many sleepless nights and high stress levels! And, we wondered why so few tossed their names in the hat for a position on the Board. Duh!

Well, things have changed for the best. The total tournament experience has gone through a major metamorphosis. Today, the whole process works like a well-oiled machine that we keep maintained and ready to go. Of course, there will always be challenges to address as no two courses are alike nor no two playing formats. The MWGA prides itself in trying to provide the best amateur golfing experience possible by (1) offering a variety of tournaments, (2) providing a diversity of courses, (3) setting up different start times and (4) scheduling events on different days. The reason the MWGA has expanded our tournaments beyond weekends and stroke play is to try to accommodate the scope of our membership. And, it has proven successful as many of our weekday events surpass our weekend events in numbers.

I won’t bore you with a lot of statistics; however, please review the following average tournament cost per event for the last nine years.

I’ll let you draw your own conclusions. Thanks for listening and, most important, thanks for playing. Now, I must get going on the President’s Tournament. Yes, I’ll agonize, but not as much as in previous years.

Beginner League Started April 29  By Linda Neff

The weather was sunny, but a bit nippy for the 13 women who gathered at Fox Hills in the learning center to start classes on learning the basics of how to golf. We now have 14 women actively involved in the league who are being trained by Joal Harting and Shawn Stanek.

• The first 3 weeks are focused on training in the learning center.
• The next 3 weeks the ladies are on the course golfing with a trainer who provides active feedback.
• The last 6 weeks the ladies put all their training to work as they play a round of golf with their fellow golfers.

Initial feedback … “Everyone is really enjoying the great classes at Fox Hills! The instructors are wonderful and we are all improving.” What more can any of us want but to hear … “We are improving!” Isn’t it great?

Enjoy the season of golf.

On July 11th MWGA members will be able to participate in one of the more creative formats of the season, Cha, Cha, Cha. Although it is stroke play, it will require teammates to put on their A game as they rotate through a sequence of recording the best score for the first hole, the two best scores for the second hole and all three scores for the third hole; then you start over again. It will mean the putters are hot to score well and the approach shots are pinpoint so you don’t end up in one of the surrounding bunkers found on many of the Timber Trace Golf Club holes. The large rolling greens will challenge each golfer on your team and make even the 3 ft. tap-in a test.

Come on now, find your two golf crazed partners and register your team to join us at the Timber Trace in Pinckney for a day filled with fun and lots of sun. Registration for members is $65 and guest team members will be $85. This includes your greens fees, cart and range. Register for the event through the Michigan Women’s Golf Assn. website or send your registration to MWGA Tournament Office, 4158 Charing Cross Road, Bloomfield Hills, MI 48304. If you want to be put on a team, just send in your registration and the Tournament Office will get you onto a team for the event. Go to the Michigan Women’s Golf Assn. webpage to see directions to the course, phone number and the link for Timber Trace Golf Club: www.timbertracgc.com. From the very first tee you will know you are at one of the best golf experiences in Michigan.

Handicap News and Updates  By Cynthia Pinkard

Remember you are to post all scores for rounds played under the USGA Rules of Golf. This includes scores from match play, scores from four-ball or best ball competitions, scores from rounds that are not completed due to darkness, weather, injury, etc. The rules for posting scores do not require that you put out every hole. They do not require that you finish 9 or 18 holes. Adjust your scores as appropriate for ESC, unfinished holes and holes not played. Adjust the Course and Slope Ratings when not playing from the same rated set of tees for your gender. For complete descriptions and information, refer to the Handicap and Index booklet you received in your membership package or visit this link on our website: www.mwgolf.org/posting_scores09.htm.

The handicap system assumes that you are always trying to play at your best. When you get frustrated or are just joking around and running up strokes that you would not have when trying your best, these extra strokes should not be counted.

Members having trouble posting scores, remembering their GAM username or password or with questions about the handicap system or posting process should contact me. Cynthia Pinkard, the MWGA Handicap Director, at handicap@mwgolf.org or call at 248-227-8170.

Rules R Us — Rule 28. Ball Unplayable  By Sara Wold

The player may deem his ball unplayable at any place on the course, except when the ball is in a water hazard. The player is the sole judge as to whether his ball is unplayable. If the player deems his ball to be unplayable, he must, under penalty of one stroke:

A. Play a ball as nearly as possible at the spot from which the original ball was last played; or
B. Drop a ball behind the point where the ball lay, keeping that point directly between the hole and the spot on which the ball is dropped, with no limit to how far behind that point the ball may be dropped; or
C. Drop a ball within two club lengths of the spot where the ball lay, but not nearer the hole.

If the unplayable ball is in a bunker, the player may proceed under a., b., or c. If he elects to proceed under b. or c., a ball must be dropped in the bunker. When proceeding under this Rule, the player may lift and clean his ball or substitute a ball.

There are some interesting decisions regarding Rule 28. If a player hits his tee shot into a deep canyon, he may immediately deem his ball unplayable, and play another ball from the tee under the stroke and distance option even though he would be unable to find his ball. Only options b and c require reference to where the ball lay. 28/1

If a player deemed his ball unplayable and dropped his ball within two club lengths of the spot where it lay, and the ball came to rest in the original position or another position at which the ball was unplayable, he would not get a re-drop without penalty because the dropped ball was in play. He would have to play the ball as it lies, or take another unplayable, incurring an additional penalty stroke. 28/3

If a player’s ball is lying on grass-covered ground within a bunker, he may deem it unplayable and drop it behind the bunker because grass-covered ground in a bunker is not part of the bunker. Of course, he must add a penalty stroke. 28/9

If a ball is lodged in a tree and the player identifies it and deems it unplayable, he may drop a ball within 2 club lengths of the point on the ground immediately below the place where the ball lay in the tree and add a penalty stroke. In some instances this may allow the player to drop a ball on a putting green. 28/11

Leave a Message for Arnie

As noted in the June 2009 issue of Golf Digest, “The King turns 80 on Sept. 10. The USGA plans to honor Arnold Palmer’s eight decades on Planet Earth by sending him a message—from everybody. A “digital memory book” has been created at usga-museum.com/arnoldpalmer that will allow golf fans to leave a birthday message or a personal reflection about Palmer in the form of words, images or video. The website will be maintained by the USGA, and accepted messages will be archived at the USGA Arnold Palmer Center for Golf History in Far Hills, NJ. The best submissions will be included in a bound volume to be presented to Palmer.”
Are You In Balance?
Balance Your Body/Balance Your Swing
By Tami Bealert, PGA Teaching Professional/Personal Trainer

In golf, just like many other sports, your body is the most important piece of equipment. Thus, it is important to take proper care and understand what your body is capable of doing in order to maintain good balance in your golf swing. When our lives are in proper balance, things seem to fall naturally into place, just as if your body is in balance, your club will swing freely and fall into place, and on the same plane. The result is a more consistent and repeatable golf swing.

The question is: How do we learn to keep ourselves in balance while swinging a golf club around our body?

The first and most important aspect of balance is your posture. Posture has a direct relationship to maintaining your balance throughout the swing. When you bow to the ball, your head and rear must counter balance each other. This balance occurs at approximately a 45-degree bend from the hips. Your spine should remain fairly straight and your shoulders will need to rotate at approximately a 90-degree angle in order to maintain consistency and balance throughout the swing.

An excellent exercise for this is to cross your arms across your chest while holding a golf club across your chest horizontally. Next, stand sideways in front of a mirror and bend to a 45-degree angle from your hips. Now rotate your shoulders while maintaining your position or spine angle. When you take the club back, your back should face the mirror, and when you rotate through, your chest should face the mirror. Watch to see if the club maintains a 45-degree angle when facing the mirror on your follow through. If not, you should see and feel that you are out of balance.

The next golf exercise is called the “pigeon toe” drill. This exercise helps to engage the proper hip turn in both directions. Unfortunately, many golfers tend to move too much from side to side rather than rotate within the frame of their body. Try toeing your feet inwards while making your backswing. When you take the club back, you should feel your back hip socket directly over your back heel (“back” refers to the side of your body that is furthest away from the target). When you pivot through on the downswing you should begin to feel your front hip socket over your target heel (“target” is the side of your body that is closest to the target). By allowing your weight to shift to your heels, along with good posture, you will begin to keep your body and golf club in the proper balance.

Finally, you must allow your muscles to stay loose and trust the club to do the work. This means allowing the club to swing freely as it is designed to do. Club heads are weighted and balanced to help keep it swinging on a particular plane or consistent arc with a square clubface through impact. If any of your muscles, especially your grip pressure, tighten up too much; you will defeat yourself: resulting in you and the club falling out of balance. Fighting with gravity is a losing proposition. Instead, grip the club with a steady, consistent hand pressure. A tightened grip creates tension in the forearm muscles, which contract and cause the arms to speed up and pull inward throwing you out of balance. Try counting throughout the swing, “One and Two” or “Smooth and Slow.” Do not force the club to swing faster by using your arms. Instead, try engaging your hips first on your downswing, then allow the arms to follow.

Learning to swing the club while staying in balance is the first step to swing improvement. Remember to maintain good posture while rotating your shoulders to a 90-degree angle and turn your hips within your frame. Try to relax your body by counting while maintaining a steady grip pressure. Once this is accomplished, you will experience greater consistency in your ball flight, along with greater enjoyment, swing after swing!

By Francine Pegues

With summer finally arriving and school ending, the MWGA Girls Golf Program, sponsored by the LPGA-USGA, will soon begin at Belle Isle. Please note: as of June 1 space is still available for girls aged 11-17 who want to take advantage of this wonderful opportunity to receive 12 hours of golf lessons for a one-time cost of $8.00. MWGA Inclement Weather Policy

Addendum to the Rules and Conditions of Play for MWGA Competitions

Prior to play beginning on the day of the event and at the course, the MWGA may make a determination to suspend or cancel play under, but not limited to, any of the following circumstances:

1. The golf course is deemed unplayable.
2. Lightning is present.
3. A ‘dangerous situation’ develops as defined by a majority vote of the MWGA Rules Officials, the MWGA Tournament Chair and any attending MWGA Tournament Committee members along with the golf course management.
4. If it is a severely cold day, the wind temperature shall be checked 15 minutes in advance of the first tee time. If the temperature or wind chill is 40 degrees or less with no forecast of better conditions, play will be cancelled.

During competition, the host course or the MWGA will provide an “alarm” to notify players of suspension of play due to, but not limited to, any of the following circumstances:

1. Golf course becomes unplayable.
2. Lightning is present.
3. A ‘dangerous situation’ develops.
4. The temperature or wind chill drops to 40 degrees or less.

Once the alarm is sounded or players are notified by another means, players must mark their ball position, immediately cease playing and return to the clubhouse (or other noted area) to wait for further instructions.

During competition, if play is suspended, the MWGA Rules Officials, the MWGA Tournament Chair and any attending MWGA Tournament Committee members along with the golf course management shall make the call as to when play will be resumed or cancelled.

During a suspension in play, The Tournament Chair will inform all players of the approximate time involved in any delay and keep players updated on the circumstances causing the delay.

After a delay in play, if play is deemed to be continued, the committee shall give a minimum of 15 minutes advance notice for proper warm up before play is resumed. MWGA cancellation of play either prior to play or after a suspension of play shall be determined by, but not limited to:

1. Combination of precipitation and cart path only
2. Temperature and wind chills detrimental to play

Please note: The MWGA will try to procure rain checks from the course when the MWGA cancels play. However, the final decision lies with the course management.

As of 01/07
MWGA Tournament and Event Guidelines

1) Eligibility. Tournaments are open to all female amateur golfers; mixed events are also open to amateur male golfers. Professional golfers may participate in designated Pro-Am events.

2) Fees.
   A) The entry fee for each tournament will be the greens fees plus $21 for four-person tournaments and $18 for two-person and individual tournaments. $15 and $12, respectively, of this additional amount will be paid back in prizes. If food, goodie bags or other extras are going to be included at a tournament, the price of those items will be added to the entry fee, as well as projected expenses (postage, printing, etc.).
   B) The entry fee for non-members will be $20 more than the entry fee for members, unless designated otherwise; i.e., male partners in mixed tournaments playing with members will pay the member fee.
   C) No fee refund will be given after the entry deadline date.

3) Flights. The number of flights will be determined by the number of tournament entries. There must be a minimum of nine teams per flight in team events before a second or third flight will be added.

4) Prizes.
   A) A minimum of one fourth of the field will receive prizes.
   B) There will be an equal number of gross and net prizes by flight in all MWGA tournaments.
   C) In order to be eligible for net prizes, a player must have a current, official USGA handicap index.
   D) Each flight will get back a percentage of the prize money based on the percentage of entries.

5) Contests. Players will pay an additional fee for contests if they want to enter them. These contests must be paid at time of tournament entry. All money paid will be returned to the winners. The game structure will be as follows:
   A) $5 will be designated for:
      i) Three Closest to the Flagsticks ($3) in two flights based on individual index.
      ii) Chip-ins ($2), not flighted.
   B) $5 will be designated for Gross Skins by tournament flight. In tournaments with only one flight, two flights will be created by team handicap for Skins.
   C) These contests will be available at all tournaments and will be run by the tournament committee.

NOTE: Player’s ball must be lying one and on the green to claim Closest to the Flagstick.

6) Individual tournaments.
   A) Fees. See paragraph 2) above.
   B) Prizes. In individual stroke tournaments, the recommended payout for first place is $65. The number of entries will determine the number and amount of additional places paid. All prize money collected will be returned to players in prizes.
   C) Flighting and Handicap. For flight position and handicap, a player’s tournament handicap will be equal to 100% of the player’s course handicap.

7) Two-person team tournaments.
   A) Fees. See paragraph 2) above.
   B) Prizes. In two-person events, the recommended payout for first place is $55 (per person). The number of entries will determine the number and amount of additional places paid. All prize money collected will be returned to players in prizes.
   C) Flighting and Handicap.
      i) For flight position and handicap, a four-person scramble team’s handicap will be calculated by taking 50% of the lowest course handicap and 25% of the highest course handicap.
      ii) For flight position, a two-person best ball team’s handicap will be calculated by taking 50% of the lowest course handicap and 25% of the highest course handicap. A two-person best ball team’s handicap will be equal to 100% of each player’s course handicap, with no restrictions on team handicap differential.

8) Four-person team tournaments.
   A) Fees. See paragraph 2) above.
   B) Prizes. In four-person events, the recommended payout for first place is a range of $40-$50 (per person). The number of entries will determine the number and amount of additional places paid. All prize money collected will be returned to players in prizes.
   C) Flighting and Handicap.
      i) For flight position, a best 2 of 4 team’s handicap will be calculated by taking 20% of the lowest course handicap on the team, 15% of the next lowest course handicap, 10% of the next lowest course handicap and 5% of the highest course handicap. Each player will receive 100% of her handicap, with no restrictions, when determining hole-by-hole net scores.
      ii) For flight position and handicap, a four-person scramble team’s handicap will be calculated on the following point system:

MWGA Pace of Play — Policy, Procedure, Penalties, Appeals

The MWGA Pace of Play (POP) Policy has been adopted in accordance with the GAM and the USGA, placing the responsibility for maintaining pace of play with the players. Players are expected to play efficient golf and to keep up with the group in front of them. The GAM POP policy and the USGA POP recommendation have been incorporated into our policy and modified to address our starting formats (tee times, crossovers and shotguns) and limited resources (lack of marshals, officials, and atomic clocks).

I. Policy

Groups should play and complete their rounds within 4 hours and 50 minutes:

- 15 minutes per hole, 10 minutes at the turn and 10 minutes after the last hole to arrive at the scoring table
- 2 hours, 25 minutes for nine holes, including all breaks
- 4 hours, 50 minutes for eighteen holes, including the time required to get scorecards stamped at the scoring table at the conclusion of play

A) The team(s)/players in the lead group are in breach of the MWGA POP policy if their scorecards are not time stamped at the scoring table by the expected time (4 hours, 50 minutes after their actual starting time).

B) All teams/players following the lead group are in breach of the MWGA POP policy if their scorecards are not time stamped at the scoring table by the expected time (4 hours, 50 minutes after their actual starting time) or if over that time

- within 15 minutes of the group in front them for tee time and crossover starts
- for "A" groups within 10 minutes of the group in front them for shotgun starts
- for "B" groups within 15 minutes of the group in front them

II. Procedure (Refer to USGA Rules of Golf Rule 6-7 and MWGA Definitions of “Out of Position”)

A) Mark actual starting time on the official scorecard(s). Time starts when the first player in the group takes the tee.

1) For tee time and crossover starts, the starter, an official or a member in each group will punch or mark the actual start time of the group on the official scorecard(s).

2) For shotgun starts, a member of each group will punch or mark the actual start time of the group on the official scorecard(s).

B) If there are any unusual delays before the start of play or during the round, players should briefly note on the back of the scorecard(s). Players may be asked to explain in more detail following tournament play.

C) THERE WILL BE NO WARNINGS regarding slow play or being out of position. Pace of play is the responsibility of the players.

D) A player concerned about the slow play of others in her group should speak with the player(s) and encourage them to play more efficiently. If the slow play continues, the player may ask a rules official, if present, to monitor the group. If no rules officials are present, the players in the group should document the incident(s) and inform the Rules Committee of the situation at the conclusion of play. During the round, a player may also request that a marshal or pro-shop staff member report the situation to the MWGA Rules Committee.

E) The official scorecard(s) must be taken to the scoring table immediately after play.

- The official scorecard(s) must be time stamped at the scoring table.
- Scores should be verified and totaled by the players.
- Scorecards must be signed and left at the scoring table.

III. Penalties

A) When a group fails to comply with the MWGA Pace of Play Policy, the team(s)/players in the offending group will be subject to a penalty assessment of two (2) strokes.

B) An additional 2-stroke penalty may be assessed for each additional 15 minutes the team(s)/players in the offending group take to have their scorecard time stamped at the scoring table behind the group in front of them.

C) Once the Rules Committee has confirmed the penalty assessment, the scorecard will be returned to each team or player being assessed for their initials as acknowledgment of the assessment. The team or player must initial and return the scorecard to the scoring table for posting.

IV. Appeals

A) There are only three (3) situations that are grounds for appeal:

- The group was delayed by the Committee.
- The group was delayed by circumstances beyond their control.
- The player or players were delayed by another player in the group, not on the player’s team.

B) Teams/Players that are subject to pace of play penalty assessments may appeal the ruling to the Rules Committee. The appeal must be made at the time the players are informed of the assessment and before any player initials and returns the scorecard. The decision of the Rules Committee will be final.

You Missed a Great Skills Clinic on May 2!

By Linda Neff

The weather was sunny but a bit nippy for the 22 women who wanted to brush up on their skills as the new season begins. The Fox Hills instructors were great! We split into groups to focus on considerations when:

• Putting up hill, side hill, short and long.
• Attempting to chip to a specific spot on the green from various positions.
• Pitching onto the green from various positions in soft or wet sand bunker and pitching from the fringe to get the roll we need to get the ball to the pin.

• As we all approached the green Jordan reviewed considerations for what club to use and why. The importance of playing to percentage shots versus taking the risk of making a great shot.
• Jordan taped each of us and sent a link for us to not only see our swing, but hear a few pointers on areas for improvement. As I reviewed the link, I thought hummm, I have a number of adjustments to make before I can compare my swing to a pro’s!
• Handicap and experience level does not matter. We all need to be reminded of the basics and see ourselves to understand where we may want to adjust our grip, stance, position to the ball, swing pattern as we look to become better golfers! I hope to see you next year.
• Have a great season!

May 9th Annual Meeting

By Denise Buechel

The inclement weather curse at Fox Hills lives on — but it didn’t hold us back! Thankfully only the first few holes were miserable. Despite the weather, it was a great day with a wonderful turnout of members, non-members, new members, returning members and of course, the vendors.

The Board was introduced and your President, Barbara Porter gave us an update on the state of the MWGA. Francine Pegues told us about the upcoming Girls Golf Program and the need for additional financing. She moved some of our members to donate right on the spot! Thanks again to those members for their generosity and support.

MWGA’s 2008 Players of the Year, Golfer of the Year (presented the Sara Wold Trophy — MWGA’s most prestigious honor) and Most Improved Golfer were awarded (see page 18 for recipients). A hearty congratulations to all the winners and to all of our players who gave it their all in 2008.

Here’s wishing every one of you outstanding play in 2009!
Let’s give a heartfelt thank you and a big round of applause to our vendors who participated in this year’s Annual Meeting on Saturday May 9 at the Fox Hills Golf & Banquet Center. We appreciate them being there for the MWGA opening day event with their wonderful products and merchandise. Hopefully, we were all able to take advantage of some of the many products and special pricing provided us.

It may appear easy to us, but there is a lot of planning that goes into setting up for a merchandising event. The vendors must decide on the selection of items and the amount of inventory to cart to the event. With varying tastes and needs of buyers in today’s markets, this can mean a hefty load of merchandise to be organized, unloaded, set up and dismantled. And our vendors carry out these tasks with expertise and flair. Their tables are well organized and displayed beautifully.

Our vendors this year were:
- Arbonne International (Sherry Potts)
- The Pampered Chef (Abby Adams)
- Z-Coil Orthotic Shoes (Nate Pietrzak)
- Custom jewelry (Pat DeMaire)
- Custom stone jewelry (Deb Pringle)
- Golf clothing (Lisa Chalmers)
- Swap items (Pat Shelton)

Not only did our vendors dedicate their Saturday morning to being there for us, they also dedicated a portion of their monetary sales to our non-profit LPGA/USGA MWGA Girls Golf program scheduled to begin again this month. As you are aware, the MWGA, on behalf of its members, has committed itself to introducing and continuing golf to young girls between the ages of 9 and 17 years from the metropolitan Detroit area. It is one way we are reinforcing our pledge to growing the game of golf for women and girls in Michigan.

Although they were not on site at the 5/9 event, Costco Warehouse of Bloomfield Hills (Telegraph & Square Lake Roads) supplied the golfers with energy for the round with fruit and bottled water. Of course, I thanked them for their contributions, and you can do likewise by shopping the Costco Bloomfield Hills store and letting Beverly Hodak-Pirami (asst. store manager) know how much we appreciated their generosity.

Z-Coil Shoes is one of our newest vendors and is located on Northwestern Highway in Southfield. Their orthotic shoes and sandals are specifically engineered for easing foot, leg and back pain relief.

So, thank you to all of our vendors who came out to share their wares with us. Don’t forget that they are in business all year and can be contacted for future sales. Their merchandise makes great gifts for special occasions and holidays and can be ordered all year long. We look forward to having them return next year.

Golf is the only sport where the most feared opponent is you.

Golf is like marriage: If you take yourself too seriously it won’t work, and both are expensive.

16 May/June 2009
Our first MWGA event of the year was a smooth and successful event, as expected. Hosted at Fox Hills-Golden Fox, we had our annual meeting followed by our 4-Woman Spring Scramble. We had 72 women in all who survived the first few holes of rain followed by a pretty nice – chilly - afternoon. What we won’t do for golf! Thanks to all our volunteers who helped throughout the day. None of what we do could be accomplished without our volunteers!

Now for some statistical feedback from our members that filled out surveys:

Out of the surveys received, 59% said their overall experience at Fox Hills was above average, which is down 10% from last year, 36% said their experience was average, and 5% no response. Our Pace of Play received a 68% average score, 27% below average score, and 5% above average. 82% liked the course, 77% thought it was a suitable course for MWGA, 77% thought the length was good, 82% thought the yardage markers were average, and 82% thought the course conditions were above average. As far as the format, 41% thought it was very good and 36% thought it was okay. The practice facilities received 45% above average, 32% average and 23% no response. Out of bounds hazard markers received 50% average and 45% above average. As far as value for the dollar, 45% thought it was a good value, 36% thought it was not, and 20% thought it was above average. We sure do have a lot of opinions!

I would like to point out that of the 72 women who participated in the tournament, only 30% chose to complete the survey. Our surveys are only as accurate as the feedback we receive, so please start filling out surveys after each event. An email is sent within a day or so of each event requesting feedback. Help us to help you.

May 9 Annual Meeting & Spring Scramble

What a turn-out for our second MWGA event — 96 participants! Even the weather cooperated and completed a wonderful day. Thank you all for making this tournament a success. The staff at Dunham Hills was very accommodating, the course was in great shape and we heard almost all good things from everyone. The only glitch to the whole scenario was that Pat needed a bigger voice or a mike because with so many people in the room, it was difficult to hear all the announcements. Another blemish on the day was the fall of one of our golfers, Faye. We certainly hope she is mending well and will be back in no time to golf with us again.

Congratulations to the winners! With the field as big as it was, we were able to pay out 1st and 2nd flights for the mixed group and 1st, 2nd and 3rd for the women's group.

DUNHAM HILLS COMMENTS FROM ONLINE SURVEY

One of my favorite courses. Very nice facilities. Very friendly staff. Great price! Possible site for Spring Scramble & Meeting.

I love Dunham Hills and would like to play it every year. The price was unbeatable. Way to go MWGA. Keep up the great prices! How about DH for the Spring Scramble?

Good Outing.

Liked that we had our own room for MWGA after golf; however, when we have a setting like that, people assume food should have been inclusive. The burger I ordered was terrible, but the way they had the menu on the table and took care of such a crowd was great.

... I like playing in MWGA events but am frustrated at having to play with people who do not understand pace of play, trying to help them and then getting threatened with pace of play penalties. If pace of play continues to be an issue, then how about on-course marshals? It takes away from one’s game when you are constantly pushing others who do not wish to be pushed.

Great price for tourney.

Thanks for the sunshine!!! Great day...wonderful event with lots of people. MWGA does a good job running tournaments. Had a good time. It was very nice that a "bar" and "food" was available in the meeting room after the tournament. The staff did a good job for the amount of customers. I felt pace of play could have been expedited on a couple of holes if we had had spotters (particularly hole #10 since landing area was a blind shot). Also tee area was not clearly apparent on #5. Course could use more directional signs to holes, otherwise course and facilities were excellent.

Good Outing.

MWGA volunteers always do a good job in determining winners. However, it was difficult to hear Pat's announcements over the rowdy crowd (I'm told the course mike was in use elsewhere. They might consider getting another one).

At times, play was very slow. Get a microphone. This should be a requirement with all courses. I heard about 25% of what was said sitting all the way in the back. You can’t expect one voice to be heard over 87 others in the room. It is unacceptable to have an MWGA tournament so perfectly orchestrated and then so quickly damaged because of one major detail.
Five Qualify for the US Women’s Amateur Public Links Championship  

By Sara Wold

Natalie Brehm, MSU, was the medalist at the US WAPL Sectional Qualifying Round at College Fields on Tuesday, May 26th with a one under par 71 on the 5886 yard course. She recorded 4 birdies in her round. Aimee Neff, also from MSU, had an even par 72 with 5 birdies in her round. Christine Meier, Rochester H.S., was the 3rd qualifier with a 74 and one birdie. Martina Gavier, from Kent State and Argentina, was the 4th qualifier with a 75 and 6 birdies! Amy Meier won the first playoff hole to become the 1st alternate and Devon Compton was 2nd alternate. Both high school students shot 76.

Ashley Smith, GVSU, shot an even par 72 with 2 birdies and was medalist at Stonehedge North, which played to 5812 yards, on Wed., May 27th. Kaitlin Marduez, Boston U, was 1st alternate with a 79 and Lina Pasquali, Kendallville, IN was 2nd alternate with an 82.

The five qualifiers will compete at Red Tail Golf Course in Devens, MA June 19 – 26 in the US WAPL Championship. The field of 156 will be cut to 64 players in match play. The final round is 36 holes. Stephanie Fleet, EMU, was runner-up in 2007. This will be Aimee Neff’s 4th time and Ashley Smith’s 2nd time to play in the Championship. As a side note – Ashley Smith and Christine and Amy Meier have qualified for the final round of qualifying for the US Women’s Open.

Many thanks to Chris Hallead at College Fields and Bill Johnson at Stonehedge North for hosting the Sectionals. Thanks also to the capable officiating of Nancy Serra, Cynthia Pinkard, Debra Horning and Claud Johnston and to Adrienne Danzeisen-Clor for obtaining Stonehedge North.

RULES R US  by Sara Wold

Unusual Rules Situation at Moose Ridge

Our members always provide interesting topics for discussion about the rules. In the shotgun start at Moose Ridge on June 6, a group started on #2 and played through #9. Then they completed play of #1. They realized they should have gone to #10. They proceeded to #10 and played through #18. They came into the clubhouse and before they officially turned in their scorecard, they were told to go back out and play #1, since the scores on the hole played out of order would not count. They played #1 and were each assessed a 2-stroke penalty for Rule 11-5, Playing from Wrong Teeing Ground. Decision 11-5/1 addresses that very situation. They were fortunate that they had not officially turned in their scorecard and that hole #1 was the next hole. Otherwise, they would have been Disqualified for not completing the round.

In addition, a player is responsible for knowing the stipulated round, which is one of the conditions of the competition, Decision 11-5/2.

The golf course is a wonderful classroom that can teach you just how much you care about what other people think.

When the belief is there, the golf shots will follow. When we wait for the shots before we can believe, we will be waiting a long, long time.
