

MWGA Competition Refund Policy

Updated 3/2024

Full refunds will be issued to players who withdraw before the entry deadline (i.e., 10 days before the competition).

There are *no full* refunds to players who withdraw after the entry deadline. Partial refunds will be issued as follows:

- 1) Players who withdraw 9 to 5 days before the competition will be refunded all fees except Administration and Late Fees unless the other fees or charges are already committed by the MWGA.
- 2) Players who withdraw less than 5 days before the competition or are no shows, except in the case of a clear emergency, will forfeit all Fees (unless an exception is approved by the Board).

The MWGA recommends a player gets a replacement for team events. They will receive the most possible refund this way.
